--------------	---	--------------------

Condition to bring products on the market:

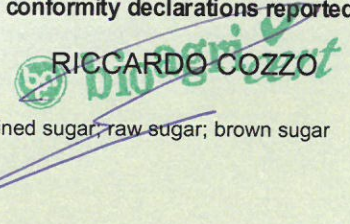

- a) products having the *authorisation code* are licensed to be sold to consumer. They can be put on the market only after the approval of the label by BioAgriCert. The *authorisation code* must be reported on the label and it allows to verify the Certificate of conformity on these web sites: www.bioagricert.org and www.trasparente-check.com
- b) products marked by the note **1** or **2** are authorised to be sold to other controlled Operators and they must be accompanied by the original copy of the *transaction document*.
 - 1** the *transaction document* must be filled in by hand and the identification code of the transaction is the progressive number printed on the document;
 - 2** the *transaction document* must be filled by the computer and the identification code of the transaction is the alphanumeric code printed on the document.

The notification of transaction data to BioAgriCert and the Certificate of conformity can be verified on the web site www.trasparente-check.com and www.bioagricert.org by typing in the identification code of the transaction reported on the document.

- c) products having *authorisation code* and marked by the note **1** or **2** are licensed to be sold both to consumer and to other controlled Operators.

The Operator is responsible about the put on market of the products and about the conformity declarations reported on labels and on transaction documents.
